

INNO INDIGO webinar #4

IPR in Europe and India

20 March 2017 – Webinar

Sona Pradeep, GITA
sona.pradeep@gita.org.in

About INNO INDIGO

INNO INDIGO

- is a European Union funded FP7 INCO ERA-Net
- running from November 2013 to April 2017
- bringing together 14 institutions
 - 11 from Europe: APRE, CNRS, DLR (coordinator), EBN, FCT, FWF, GAIA, NWO, TÜBITAK, ŹSI, ETAG
 - 3 from India: CSIR, DBT, GITA
- working towards the **goal** of

supporting EU-India science, technology and innovation (STI) research cooperation in thematic areas of joint interest

Main Objectives

- Launch of joint calls on a regular basis: **fund collaborative projects involving research organisations and industries**
- Platform for funders: **attract new funders** (in particular regions), develop a self-sustaining funding mechanism
- **Innovation:**
 - more involvement of SMEs / industries / clusters
 - include social, inclusive, frugal innovation etc.
- **Enhance visibility** of opportunities for Indo-European scientific collaboration
- Ensure **sustainability of collaboration**
- Provide support to **scale up Indo-European collaboration results**

New Indigo & Inno Indigo Partnership Programme (NPP)

Pilot Phase: Mobility and Networking

2010: Biotechnology and Health

2011: Water related research

Second Phase: Research and Innovation

INNO INDIGO VALORIZATION PROGRAMME

MOOC – Webinars – Valorization Workshop

Start: 21st February, 2017

<https://indigoprojects.eu/cooperation-platforms/indigo-valorization-programme>

What's in it for you?

INDIGO VALORIZATION PROGRAMME supports projects for the definition of their roadmaps for scaling up their research results. 2 out of the three steps are open to the general public. The third step is designed especially for INDIGO funded projects.

The programme consists of 3 complementary parts:

1. MOOC: Online Training **open to public**
2. WEBINAR: Mentoring Scheme **open to public**
3. **WORKSHOP: Working on outcomes of MOOC and Webinars** **access upon application**
